🕒 HISTORY

Created in 1968, the University of Toulon offers more than a hundred courses of study within multiple disciplinary fields. In a warmly-supportive environment, it welcomes over 9,000 students per year and focuses on students' support and success.

🕒 FACTS & FIGURES

📍 Location

- Close to Saint Tropez
- Right in between Nice and Marseille
- Only three hours away from Italy

📖 Studies

- 9 Schools & Colleges
- 16 research laboratories
- 5 educational areas that cover all disciplines: Law, Economics, Management; Arts, Literature and Languages; Social and Human Sciences; Science, Technology, Health; Sports Science and Techniques.
- Over 100 University majors

👥 Staff & Students

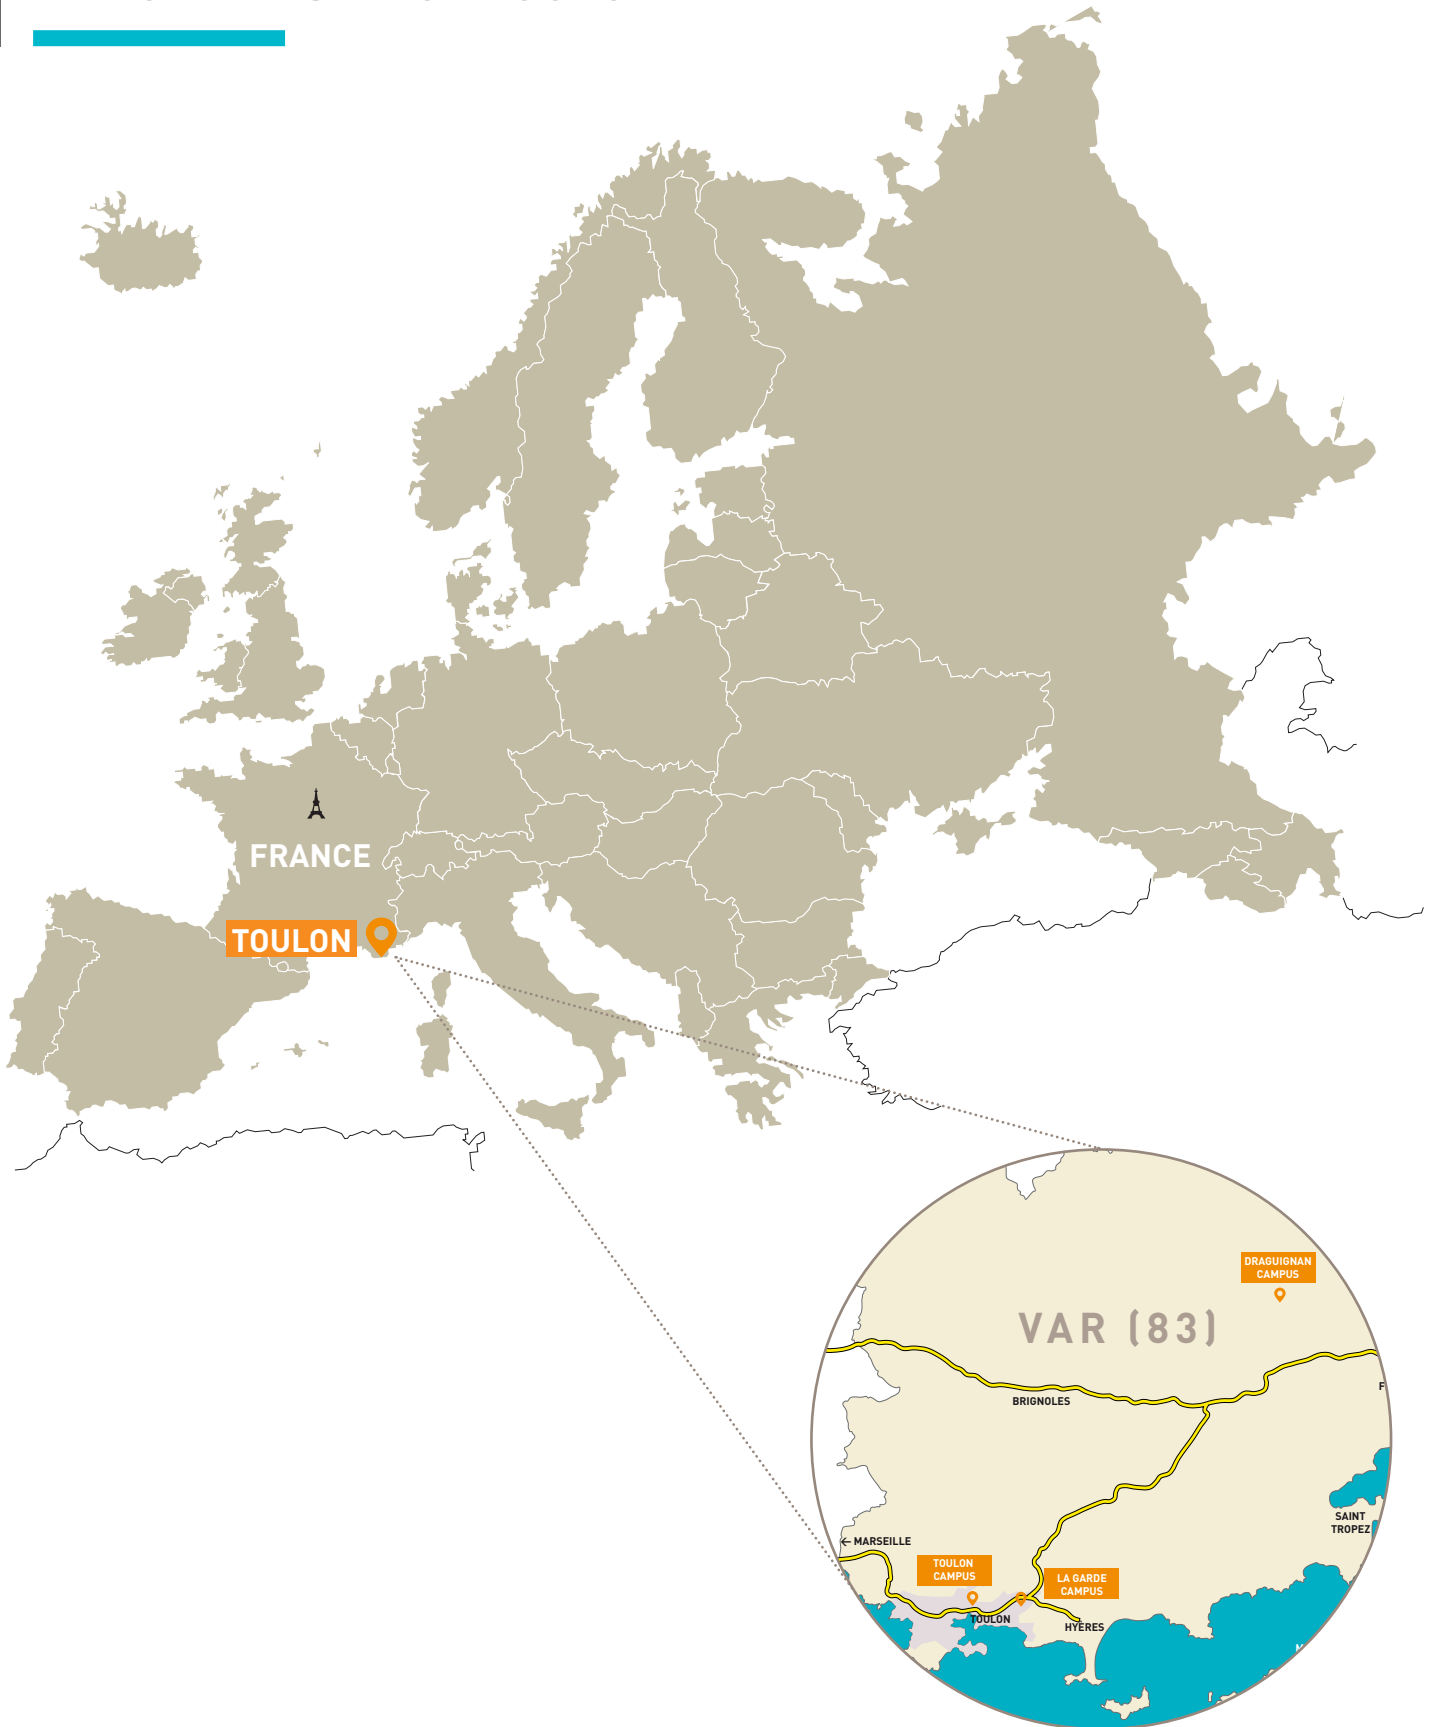

- Over 9,000 students
- 1,200 international students of 90 different nationalities
- 280 Ph.D. students
- 900 staff & personnel, including
 - 60 invited professors per year
 - 500 teachers & teacher-researchers
 - 400 administrative staff & technicians

🔬 Research

With 16 research laboratories, and 3 doctoral schools, in which 21 patents have been issued and 30 Ph.D. theses are defended each year, research at the University of Toulon is organized around 3 main areas:

- Sea, Environment, and Sustainable Development
- Information
- Comparative Euro-Mediterranean Civilizations and Societies

THE UNIVERSITY OF TOULON

◎ ORGANIZATION

The University of Toulon boasts 9 Colleges, 3 Schools, and 1 Institute of Technology. The strength of the University of Toulon is its wide range of programs at the undergraduate and graduate levels, including professional degrees. It has more than 100 degree program options, offering courses on three campuses, in teaching and learning facilities across Toulon, La Garde, Draguignan, and abroad. With so many options, the choice of where to study is yours.

◎ LA GARDE CAMPUS

Just 3 miles from Toulon’s city center, the University is located on a beautiful 85-acre tree-filled campus close to the shopping and business district of La Garde. Century-old trees, a trout pond and shaded areas make it a pleasant place to stroll, meet friends, meditate or study. If you are in need of some real retail therapy, the campus is located only a few minutes’ away from the Avenue83, a brand new outdoor shopping center where you will find a unique mix of men’s and women’s clothing, home-furnishing retailers and a distinct collection of restaurants and bars from casual outdoor dining to date night. Avenue 83’s movie theatre “Pathé!” boasts the latest and greatest in digital cinema technology featuring 3D and high-frame rate technologies, premium large format and immersive cinema, and various accessibility technologies.

La Garde campus is the University’s headquarters (Buildings V and V1). You will find the Office of the President of UTLN and, the principal administrative departments including: the registrar office, the office of International Relations (SRI), the housing & residence life building, the student activities center (SUAPS) and the medical center (SUMPPS).

• Faculties and departments:

- Faculty of Literature and Humanities
- Faculty of Sciences and Technology
- Faculty of Physical Education and Sports Studies (STAPS)
- The Institute of Technology (IUT)
- SeaTech School of Engineering
- Continuing Education Department (FTLV)
- Doctoral School 548 “Sea and Sciences”

• Strengths:

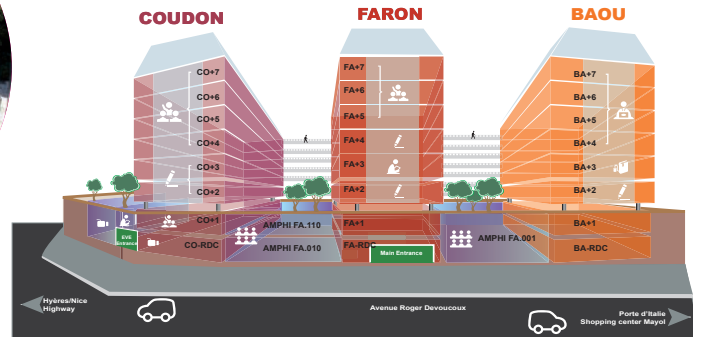

- 2 libraries (BU) on the La Garde campus: The main library and the SeaTech School of Engineering library
- The CRL (Language Resource Center) located in the main library, offers language study materials in a variety of media, including books, audio recordings and video recordings. Foreign students can also find conversation partner to improve their French skills.
- A gym and a synthetic grass football pitch

THE UNIVERSITY OF TOULON

TOULON CITY-CENTER

The downtown campus is the University's second largest campus with nearly 3,000 students. Our downtown campus is modern and well equipped with a wide range of facilities catering to a range of student needs. Our modern brand-new campus (called the Toulon-Porte d'Italie or Toulon City-Center campus) was inaugurated in 2014. It is located downtown, in "Mayol" district (near the "Mayol" shopping mall). The Toulon's harbor (which is one of the most beautiful harbors in Europe and which is also the second military port in France) is only 10 minutes away on foot. The "Mayol stadium" and its rugby team, the "Racing Club de Toulon" are only a few yards away. Close by, students can enjoy the Opera of Toulon Toulon and the old town or, they can enjoy the Mediterranean Bay and the Mourillon beach with its bars and restaurants.

Faculties:

- The Faculty of Law
- The Faculty of Economics and Management
- The Ingémédia Faculty of Information and Communication
- The Institute of Business Administration (IAE)
- Doctoral School 509 "Comparative Euro-Mediterranean Civilizations and Societies"

Strengths:

- "Télomedia" multi-media studios
- 2 libraries (BU): One library at the Faculty of Law and a new library specializing in Economics, Management, and Information and Communication (located in the "Baou" building)

DRAGUIGNAN CAMPUS

This is our smallest campus. It is a satellite campus of the Faculty of Law and the IUT's Department of Business Administration (GEA).

◎ TOULON

Located in the Provence-Alpes-Côte-d'Azur region, Toulon is the capital of the Var department. With a population of 170,000, Toulon is the fifteenth-largest city in France, the fourth-largest French city on the Mediterranean coast after Marseille, Nice, and Montpellier. Each year the town welcomes some 15,000 students through various schools: UTLN, engineering schools and an art school.

Toulon is an important center for naval construction, fishing, wine making, and the manufacture of aeronautical and electronic equipment. The military port of Toulon is the major naval center on France's Mediterranean coast, home of the French Navy aircraft carrier Charles De Gaulle and her battle group. The French Mediterranean Fleet is based in Toulon.

According to government data, Toulon has more sunshine per year than any other city in France: an average of 2,856 hours per year. This is largely due to the wall of mountains (Maritime Alps) that protects Toulon from weather coming from the north. Just 50 km to the east of Toulon are the beautiful French Riviera cities of Saint Tropez and Saint Raphaël. Marseille and Nice are both less than one hour by train.

◎ AROUND TOULON

Toulon is a dynamic, sports-loving town with top of the league basketball, rugby (RCT Team) and women's handball teams. The town is well-equipped for culture and leisure activities with an opera house, a concert hall, a theatre and an exhibition hall.

Numerous and various cultural activities are offered in the greater Toulon area: museums, theatres ("Théâtre Liberté de Toulon"), concert halls (Zenith Omega Toulon, place of Chateavallon) and many movie theatres such as the art house "Le Royal". (Read Cultural Life)

Famous beaches such as Le Mourillon, Cabasson (Fort Brégançon), Estagnol, as well as numerous « Calanques » and the Porquerolles islands are particularly appreciated.

DEGREE PROGRAMS

FACULTY OF LANGUAGES AND HUMANITIES

◎ BACHELOR'S DEGREES

- Applied Foreign Languages
- Languages, Literature, and Foreign and Regional Cultures Specialising in English
- Languages, Literature, and Foreign and Regional Cultures Specialising in Spanish
- French literature and language

◎ PROFESSIONAL BACHELOR'S DEGREES

- Management of cultural and artistic projects and structures
- Careers in tourism and leisure

◎ MASTER'S DEGREES

- Languages, Literature, and Cultures Specialising in Comparative Contemporary Cultures
- Languages, Literature, and Cultures Specialising in Literary Studies
- Languages, Literature, and Cultures Specialising in Applied Language Studies
- Languages, Literature, and Cultures Specialising in Linguistics, Rhetorics and Communication
- Tourism Specialising in Sustainable Tourism Management

FACULTY OF PHYSICAL EDUCATION AND SPORTS STUDIES

◎ BACHELOR'S DEGREES

- Sport Sciences and Physical Education Specialising in Adapted Physical Education Activity and Health
- Sport Sciences and Physical Education Specialising in Physical and Sport Education
- Sport Sciences and Physical Education Specialising in Sport Training

◎ MASTER'S DEGREE

- Sport Sciences and Physical Education (STAPS) Specialising in Human Movement Sciences

SEATECH SCHOOL OF ENGINEERING

- Materials, Durability, and Environment Track
- Marine Engineering Track
- Modelling Fluid Dynamics and Structures Track
- Mechanical Innovation for Sustainable Systems Track
- Mechatronic Systems Track
- Computer Science, Telecommunications, and Imaging Track

FACULTY OF SCIENCES AND TECHNOLOGY

◎ BACHELOR'S DEGREES

- Life Sciences
- Mathematics
- Physics and Chemistry
- Engineering Sciences

◎ PROFESSIONAL BACHELOR'S DEGREES

- Careers in computer and telecommunication networks: network administration and security

◎ MASTER'S DEGREES

- Computer Science Specialising in Development and Mobile Applications
- Mathematics Specialising in Optimization and Mathematical Physics
- Physics and Engineering Sciences Specialising in Physics and Environmental Monitoring
- Physics and Engineering Sciences Specialising in Signal and Tracking

- Physics and Engineering Sciences Specialising in Computer Vision and Control
- Sciences, Technology and Marine Environments Specialising in Marine Biodiversity and Biomolecules
- Sciences, Technology and Marine Environments Specialising in Reactive Analytical Chemistry and environmental modelling
- Sciences, Technology and Marine Environments Specialising in Advanced Materials and Environment

SCHOOL OF HIGHER EDUCATION AND TEACHING CERTIFICATION

- Teaching, Education, and Formation - Secondary Education Specialising in English
- Teaching, Education, and Formation - Secondary Education Specialising in Spanish
- Teaching, Education, and Formation - Secondary Education Specialising in French
- Teaching, Education, and Formation - Secondary Education Specialising in Mathematics

FACULTY OF LAW

⦿ BACHELOR'S DEGREE

- Law

⦿ PROFESSIONAL BACHELOR'S DEGREES

- Legal affairs : careers in Labour law
- Legal affairs : careers in Real Estate law

⦿ MASTER'S DEGREES

- Public Administration Specialising in Local Government Law and Management
- Public Administration Specialising in Environmental and Zoning Law

- Public Administration Specialising in Security and Defence
- Corporate and Estate Law Specialising in Banking Law
- Corporate and Estate Law Specialising in Contract Law
- Corporate and Estate Law Specialising in Law and Management of Health and Sanitary Professionals
- Corporate and Estate Law Specialising in Law and Estate Management
- Corporate and Estate Law Specialising in Notarial Law
- Corporate and Estate Law Specialising in Social Law
- Personal Law and Trials Specialising in Litigation Law
- Personal Law and Trials Specialising in Fundamental Law
- Personal Law and Trials Specialising in Personal Protection

FACULTY OF ECONOMICS AND MANAGEMENT

⦿ BACHELOR'S DEGREE

- Economics

⦿ MASTER'S DEGREES

- Economic Development Specialising in International Fair Trade and Economic Development
- Economic Development Specialising in Regional Development and Entrepreneurship
- Economic Development Specialising in Financial Macroeconomics and Economic Development
- Banking, finance, insurance Specialising in Consultant for banking and insurance

DEGREE PROGRAMS

INGÉMÉDIA FACULTY OF INFORMATION AND COMMUNICATION

⦿ BACHELOR'S DEGREE

- Information and Communication

⦿ PROFESSIONAL BACHELOR'S DEGREE

- Image and Sound techniques

⦿ MASTER'S DEGREES

- Information and Communication Specialising in E-publishing
- Information and Communication Specialising in Media Engineering
- Information and Communication Specialising in Economic and territorial Intelligence
- Information and Communication Specialising in Digital Production and Immersion

INSTITUTE OF BUSINESS ADMINISTRATION

⦿ BACHELOR'S DEGREE

- Management Sciences

⦿ PROFESSIONAL BACHELOR'S DEGREE

- Careers in management and accounting : financial and accounting management

⦿ MASTER'S DEGREES

- Business Administration
- Management Sciences Specialising in Strategic and Sustainable Business Development
- Management Sciences Specialising in Corporate Finance and Management Control
- Management Sciences Specialising in Quality and Internal Control

UNIVERSITY INSTITUTE OF TECHNOLOGY

⦿ DUT : TWO-YEAR TECHNICAL DEGREES

- Biology engineering
 - ▶ Biological and biochemical analyses
 - ▶ Nutrition
 - ▶ Environmental engineering
- Electrical and computer engineering
- Industrial engineering and maintenance
- Mechanical engineering and production automation
- Businesses and administration management
 - ▶ Elective : Finance - Accounting
 - ▶ Elective : Organizational Management
- Marketing techniques
- Careers in Multimedia and Internet

⦿ PROFESSIONAL BACHELOR'S DEGREES

- E-commerce and digital marketing
- Insurance, Banking, Finance: customer relationship manager
- Automated systems, networks and industrial computing
- Energy efficiency, electricity, sustainable development
- Organizational Management
- Careers in entrepreneurship
- Careers in Quality
- Careers in Industry: design and improvement of industrial processes and procedures
- Communication and development of artistic creation

CLASSES TAUGHT IN ENGLISH

*** FALL SEMESTER ***

FACULTY OF LAW

☉ BACHELOR'S DEGREE

- Law
 - History of Political Ideas
 - Legal English

☉ MASTER'S DEGREE

- Law
 - Legal English
 - Legal English – Banking law
 - Legal English – Contract law
 - Legal English – Civil and Criminal law
 - Legal English – Real Estate and Notarial law
